

## NoodleBib – Create a Student Account

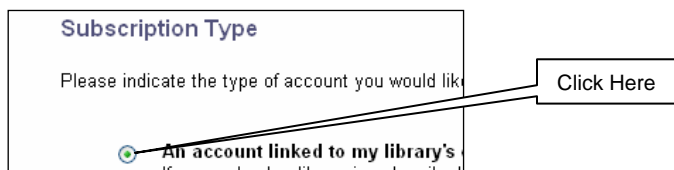

1. Open the internet, and go to [www.noodletools.com](http://www.noodletools.com)
2. Under Subscription Tools, click on NoodleBib.

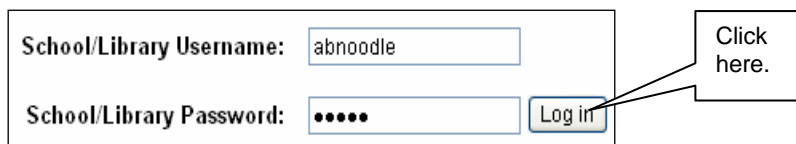

3. Click on Create a new folder.

4. At the next box, leave checked "An account linked to my library..." and click Continue.

5. Enter School/Library Username: **abnoodle**
6. Enter School/Library Password: **abrsd**
7. Click Log in.

8. At the next prompt, check the box "I am a student..."

9. At the next prompt, choose a login name and password.

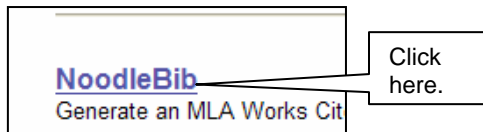

**Hint:** use your school login and password so it will be easy to remember.

Type the last four digits of your home phone number in the Phone# box. This information will only be used to help you remember your password if you forget it later.

Click **Register**.

The screenshot shows a registration form titled "Choose a login". Below the title is a sub-header: "You'll use this personal ID and password to access your saved work. This is used to identify your account in the event that you forget your password". The form contains four input fields: "Personal ID:" with the text "ccadogan", "Password:" with seven dots, "Retype password:" with seven dots, and "Phone #:" with a small black box and the text "(last 4 digits only)". A "Register" button is located at the bottom of the form. A callout box labeled "Click Here" has a line pointing to the "Register" button.
